

## Help

*Mother Earth Beat Drum*

**Save the environment.  
Save on taxes.  
Donate your cell phone and ink jet  
cartridges!**

---

Dear Friends:

Mother Earth Beat Drum, Native American Women's Drum Group, is conducting a Cell Phone and Ink Jet Cartridge recycling fundraiser. There's nothing to buy. We are simply asking you to protect the environment by donating your used **cell phones** and **ink jet cartridges**. Your used cell phones may be tax deductible and will be recycled in accordance with EPA regulations or refurbished and sold. 100% of the proceeds will help fund **"The Feast of the East, Women's Drum Conference and Feast."**

### For Your Information

- Your used **Ink Jet Cartridges** will help support the Feast
- Your **used Cell Phone** could be worth money that will support the Feast. (Cell phone information is erased, or you can empty the memory yourself)
- Your used phone contains hazardous substances that can pollute the air, soil, and drinking water if not recycled properly. One cell phone can contaminate 132,000 liters of water!

Call us for more information at (304) 472-9013 or (304) 252-8309 (leave msg.).  
Please do not include accessories such as charges and earpieces. They can be recycled locally.

Thank you for your support!
